SENATE HOUSE, the 28th January 1926.

The Elliott Prize for Scientific Research for 1926-1930.

IN accordance with the Government of Bengal, General Department, revised notification No. 112 T.—Edn., dated 5th May 1917, published in Part I, page 667 of the *Calcutta Gazette*, 1917, two Elliott Prizes for Scientific Research for 1926 will be awarded to the authors of the best original essays giving the results of original research or investigation made by the candidates in (a) Physics, and (b) Geology and Biology (including Pathology and Physiology) and published during the years 1922-1925, inclusive.

In accordance with the notification cited above, the Elliott Prize for Scientific Research for 1927 will be awarded to the author of the best original essay giving the results of original research or investigation made by the candidate in Mathematics and published during the years 1923-1926, inclusive.

Any Native of Bengal, or Bihar and Orissa, or any Anglo-Indian or domiciled European residing in Bengal, or Bihar and Orissa, may compete for the prize.

The essays of competitors must be sent in so as to reach the President of the Asiatic Society of Bengal, 1, Park Street, Calcutta, by the end of June of this year. Author's reprints must be submitted and not manuscripts. The prizes will be awarded to the best competitors and be conferred publicly at the Annual General Meeting of the Asiatic Society of Bengal in February 1927.

Preference will be given to researches leading to discoveries likely to develop the industrial resources of Bengal or of Bihar and Orissa.

The value of each prize will not be less than Rs. 210. In the event of no essay being deemed of sufficient merit no prize will be awarded.

The prizes for the next four years will be allotted as follows :—

1927	... Mathematics.
1928	... Chemistry.
1929	... Physics.
1930	... Geology and Biology (including Pathology and Physiology).

All essays submitted must have been published during the four calendar years immediately preceding that for which the prize is given.

E. F. OATEN,

Director of Public Instruction, Bengal.

CALCUTTA, the 30th January 1926.

The Elliott Prize for Scientific Research for 1926-1930.

IN accordance with the Government of Bengal, General Department, revised notification No. 112 T.—Edn., dated 5th May 1917, published in Part I, page 667 of the *Calcutta Gazette*, 1917, two Elliott Prizes for Scientific Research for 1926 will be awarded to the authors of the best original essays giving the results of original research or investigation made by the candidates in (a) Physics, and (b) Geology and Biology (including Pathology and Physiology) and published during the years 1922-1925, inclusive.

In accordance with the notification cited above, the Elliott Prize for Scientific Research for 1927 will be awarded to the author of the best original essay giving the results of original research or investigation made by the candidate in Mathematics and published during the years 1923-1926, inclusive.

Any Native of Bengal, or Bihar and Orissa, or any Anglo-Indian or domiciled European residing in Bengal, or Bihar and Orissa, may compete for the prize.

The essays of competitors must be sent in so as to reach the President of the Asiatic Society of Bengal, 1, Park Street, Calcutta, by the end of June of this year. Author's reprints must be submitted and not manuscripts. The prizes will be awarded to the best competitors and be conferred publicly at the Annual General Meeting of the Asiatic Society of Bengal in February 1927.

Preference will be given to researches leading to discoveries likely to develop the industrial resources of Bengal or of Bihar and Orissa.

The value of each prize will not be less than Rs. 210. In the event of no essay being deemed of sufficient merit no prize will be awarded.

The prizes for the next four years will be allotted as follows :—

1927	... Mathematics.
1928	... Chemistry.
1929	... Physics.
1930	... Geology and Biology (including Pathology and Physiology).

All essays submitted must have been published during the four calendar years immediately preceding that for which the prize is given.

R. N. MOOKERJEE, President, Asiatic Society of Bengal.

W. E. GREAVES, Vice-Chancellor of the Calcutta University.

E. F. OATEN, Director of Public Instruction, Bengal.

CALCUTTA, the 15th January 1926.

EDUCATION DEPARTMENT, BENGAL.

NOTIFICATION.

1. A Sussex Trust scholarship of £175 per annum with a free second class passage to England for female British subjects of pure European blood, domiciled permanently or temporarily in Bengal, will be available in 1926.
2. Applications from candidates whose age should not exceed 23 years are invited for the above scholarship.
3. The object of the scholarship is to provide for higher-general or professional or technical education. It will be tenable for three years in the United Kingdom.
4. Selection will be restricted to those who appear to the administrator to be likely by age, ability, physical qualifications and social circumstances to justify the opportunity provided, and preference will be given, other things being equal, to a candidate who has been educated in a European school in Bengal and whose parents or guardians are prepared to contribute an additional sum of £150 a year towards the expenses of the scholar's education in the United Kingdom.
5. Intending candidates are requested to make application to the Inspector of European Schools, Bengal, Industries Building, 40-A, Free School Street, Calcutta, from whom a schedule of particulars required may be obtained. It will be incumbent on candidates to produce full and satisfactory evidence of their status as British subjects of pure European blood.
6. The selected candidate must be prepared to lodge £40 with the High Commissioner for India, London, for initial expenses before leaving for England.
7. Applications should reach the Inspector of European Schools, Bengal, not later than 1st March 1926.

Dacca Medical School.**NOTICE.****Examination of Compounders and Dressers at the Dacca Medical School.**

IT is hereby notified for general information that the next half-yearly examination of compounders will be held on the 24th April 1926 and subsequent days.

(a) No person will be admitted to this examination unless he produces certificates as required by rules 9, 10, 11 and 12 of Government notification No. 1410-Medl., dated the 7th July 1913.

(b) All male candidates must forward to the Deputy Superintendent, Dacca Medical School, an examination fee of Rs. 5 at least one week before the commencement of the examination. A fresh fee must be paid on each occasion that the candidate enters for the examination; but a candidate, who, after payment of the fee, is unable, through illness, to attend the examination, will be allowed, on producing a satisfactory medical certificate, to attend the next examination without payment of fresh fee.

(c) Women candidates are examined free of charge.

(d) Passed compounders who have completed a further three months' course of dressing prescribed in rule 13, and students of the licentiate class of this school, on the completion of their second year's course, will be allowed to appear at an examination in bandaging, sterilization of dressings and instruments, and in minor duties of hospital work. A fee of Rs. 2 shall be charged for this examination.

This examination is also open to persons qualified for admission to the examination prescribed under the rules for the grant of certificates to compounders, on production of a certificate that they have received instruction in a hospital or dispensary recognised by Government in bandaging, preparation of antiseptic lotions and dressings, sterilization of dressings and instruments, and in the duties of hospital dresser. Such persons shall be required to pay a fee of Rs. 2 for this examination.

NOTIFICATION.

No. 2 T.-B.—The 10th March 1926.—The following list of text-books approved for use in all classes of maktab offering Urdu as Vernacular in this Presidency for the year 1926, is published for information.

E. F. OATEN,

Director of Public Instruction, Bengal.

Introductory notes.

1. Any vernacular, e.g., Urdu, may be substituted for Bengali where the controlling authorities of the school consider that circumstances justify it.

2. The compulsory subjects in all schools (maktab) will be the following :—

- (a) Reading,
- (b) Writing,
- (c) Arithmetic,
- (d) Geography,
- (e) History,
- (f) Hygiene (for boys) or Hygiene and Domestic Economy (for girls),
- (g) Observation lessons for boys, or needle work for girls,
- (h) Koran, Ritual* of Islam and Urdu.

The scholarship examination will be held on the first six subjects only.

3. For the Primary Final Examination any two of the following optional subjects should be taken :—

- (a) Manual work,
- (b) English, and
- (c) Zamindari and Mahajani accounts.

4. The course will be completed in five years and pupils at the completion of the course will take the Primary Final Examination.

5. Class IV of a school or maktab will correspond to the present class III of a high or a middle English school. A boy from a school or maktab intending to enter a high or a middle English school should leave at the end of class III.

6. In selecting text-books for maktab preference should be given to those by Moslem authors.

NOTE.—District Boards in charge of primary education are authorised to select text-books from the approved list. The boards may select from the list approved by the Department a small number of text-books for use in both board and aided primary schools and maktab under their control, care being taken to discourage anything in the shape of exclusive prescription and to secure that selection is made with the utmost care so as to avoid undue patronage. Inspecting officer should refrain from recommending any books to the teachers of primary schools and maktab for selection and, in giving advice to District Boards in the matter of selection of text-books, should bear in mind that the system of exclusive prescription is to be discouraged.

Observation Lessons.**Class I—**

Observation lessons.—To be begun by conversation lessons on the things in the school such as benches, desks, stools. Children measuring the benches, desks, etc. collecting leaves, flowers and fruits from plants and trees growing in the locality and comparing them as to shape, colour, smell, number, etc. Additional observation lessons should be given in correlation with other class subjects. No book is to be used by the pupils.

Class II—

Observation lessons.—Collection and observation of plants such as may be available in the locality, comparing the different parts of each, root, stem, leaves, bark, flowers and fruits with those of another. Collecting crop plants growing in the season. Conversation about the food materials obtained from each. The organs of our body and their uses; children measuring and comparing the respective length of their arms, legs, fingers and their height. The teacher testing their eye-sight, power of hearing. No text-book is to be used.

Class III—

Observation lessons.—Growth of plants to be observed by growing any kind of pulse and paddy in plots or in small plots. To observe the roots and seed leaves and mark the difference. Experiments to show the effect of light and moisture on growth. Collecting other plants having roots and seed leaves like those grown. Collecting and observing plants having creeping or climbing stems. Plants growing in water, plants producing no flowers. Observing leaf buds and flower buds and parts of a flower. No text-book is to be used.

Class IV—

Nature study based on school gardening. (Recommended for rural schools.) (Optional.)—Laying out a garden, a plot of 4 to 6 square cubits for each scholar, or if the compound is not spacious enough, a common plot for all, for purposes of experiment. Seed testing—sowing 50 or 100 seeds of each of several kinds of plants, paddy, pulses, jute, mustard, according to the time of the year in each plot or separate part of the common plot. Each scholar to keep a diary in which to note down the date of sowing, the time taken for germination, the percentage of germination, the rate of growth after germination. In each stage of growth the scholars will pull up a specimen and observe the roots, their uses and growth, the stems and leaves and their uses and structure; the flowers—their parts and uses, the methods of fertilization, the fruits and seeds. All these to be noted in the diary. To observe the kinds of soil—clayey, sandy, loamy; the power of each to absorb and retain moisture. Plant food in the soil. The effect of manures, showing the effect of different manures as cowdung, oilcake, ashes and nitrate of soda on the growth of plants, of phosphates on fruits, etc. The plots should be drawn to scale and all results recorded in the note book. No text-book is to be used.

Class V—

Nature study based on school gardening (optional).—Boys may work in pairs, one of class IV and another of class V, if single plots are available, otherwise all on a common plot, one being set apart for boys of class IV for experiments only and another for those of class V. Plans of work to be prepared in September every year; the plots to be sown with particular seeds should be set out to scale in the note book; plans should include also indoor work, such as raising early seedlings of onions, cauliflowers, cabbages in pots or boxes. Following operations to be explained:—Digging—its effect, purpose; to sow at depths suitable to various seeds; to prepare trenches—manuring effect and purpose; plant, food, seeding crops to be sown—(1) jute, (2) *aus* paddy, (3) maize, (4) *aman* paddy, (5) pulses, (6) mustard, (7) potato, (8) gram, also vegetable—brinjal, radish, turnip, cauliflower, onion, chilli, flowers grown on borders of each plot—arrangements should be made to produce a continuous supply of vegetables throughout the year. Lessons on rotation, on insect pests and insecticides. Record to be kept of the quantity of seed used and of the produce. No text-book is to be used.

II.—Optional subjects.**(a) MANUAL WORK.****Syllabus in Manual work (optional).****Class II—**

(a) Clay modelling—simple household utensils, pottery, etc., modelling in connection with the beginnings of Geography. The children should model from pictures or from models made by the teacher.

(b) Stick-laying with the use of seeds to shapes shown on a wall chart. The following shapes may be used :—

An umbrella, a house, a fence and gate, a door, a window, a house with fence and gate, a tree (with half sticks), a verandah of a house, a cart. Build up a hut from several new elements, children working together. Wall charts and models (shapes of animals, etc., should be excluded).

Class III--

Tear out of paper, according to picture chart, a wall, a house, a man, a tree, a boat, a large pucca house, a cow, a hen, a vulture, a horse, a bullock-cart, a bridge, a man with a lathi, a man with a bundle on his head. Multiply them by folding the paper and so build up a street. A railway engine, carriage, etc. Each model may be improved with a pencil or colours. Make a book (using a pin for stitching), an envelope. The teacher may teach any paper folding which he knows. Wall charts and models.

Class IV—

Clay-- work combined with sticks. The models suggested in the first and second year should be made with clay and sticks combined and any other materials available. All materials may be used, e.g., straw for roof, leaves for plants, paper for man's clothes. Scissors and knives may be used. Wall charts and models.

Class V—

(1) Construct a cardboard ruler graduated in inches, half the ruler in half inches, quarter of the ruler in quarter inches, a sixth in eighths and over in tenths.

(2) Construct a cardboard scale showing 1 inch to a foot up to 3 feet. Measure and draw plans of furniture to scale.

(3) Draw circles and simple geometrical figures (e.g., triangles, square, oblong) to scale, cut out in cardboard. Save these models for future experiments.

(4) Construct a cardboard 45 set-square—copy direct from model—make another half size. Construct a cardboard 38 and a 60 set-square. Refer to angles 1, 2 and 3 and make them at each corner.

(5) Draw and cut out triangles using set-squares.

(6) Construct and cut out a protractor.

(7) Graduate and cut out a thermometer scale—copy from actual object.

(8) Draw and cut out the following flat objects—a box with sides flattened out, a clock, a house with sides flattened out, a door, a window, a fence (made of pieces of paper cut to scale), a gate, a bridge, with pillars, with arches, a picture frame, etc.

(9) Models constructed to scale but not in flat, an envelope (in paper), a tray, a picture frame, a box, a table, a stool, a house, a house with windows and doors. Add a fence to it. A weather-cock (working model), a kite, a wind-mill, a fan. Embellish and finish all these models in ways which may suggest themselves to an artistic temperament, but on no account must the finishing process be utilised to cover up inaccurate work.

(10) Simple models in paper and cardboard illustrating history, literature and descriptive geography. A text-book or wall charts showing the dimensioned drawings of the models.

(b) ENGLISH (OPTIONAL).

Class IV. (Reading)—

(1) The King Primer (Anglo-Urdu). E. Marsden. (Macmillan & Co., Ltd.)

or

(2) First Book of Reading (Anglo-Urdu). Raj Krishna Datta. (Datta Nephew & Co.)

Class V. (Reading)—

King Readers, Reader I (Anglo-Urdu). E. Marsden. (Macmillan & Co., Ltd.)

Classes IV and V. (Writing)—

Anyone of the following :—

(1) The Sarasvati Copy Slips, Nos. 1 and 2. (Macmillan & Co., Ltd.)

(2) The Sanial Copy Slips, Books I and II. (S. C. Sanial & Co., Calcutta.)

(3) Model Copy Book, Nos. 1 and 2. (Ashutosh Library, Dacca.)

(c) ZAMINDARI AND MAHAJANI ACCOUNTS (OPTIONAL) *

Class V--

Writing chithas; jama-wayashil, khatian, rent receipts, jama-kharach; jamabandi, etc.

Writing pattas, kabuliyats, bonds, etc.; working out sums involving the above.

* No book in Urdu is yet available. Books in Bengali and Hindi are available.

NOTIFICATION.

Bengal Legislative Council Election.

IN connection with the ensuing election for a seat in the Provincial Legislative Council allotted to the Calcutta University under the Reform Scheme, the franchise is enjoyed by all Graduates (including Women Graduates) of this University of not less than seven years' standing. Only such graduates of this University as passed their first Degree Examination in 1918 (and were admitted to their Degrees at the annual Convocation held in December 1918) or earlier will be eligible to vote at the election. Licentiates of Medicine, who obtained their Degrees under the Old Regulations, will be treated as Graduates for the purposes of franchise qualification.

With a view to enable the undersigned to prepare an Electoral Roll for the above purpose, Graduates of the prescribed standing are requested to furnish the undersigned with the undermentioned particulars on or before the 30th of April 1926:—

- (1) Name *in full*.
- (2) Address.
- (3) Present occupation.
- (4) Place of residence.
- (5) Name of the first Degree Examination of this University which he or she passed, as also the year when, and the college (if any) from which he or she passed such examination.

The franchise is restricted to qualified Graduates (including Women Graduates) who are ordinarily resident in the Presidency of Bengal, in the sense that they are identified with it by actual residence during the greater portion of the year.

By order of the Hon'ble the Vice-Chancellor and Syndicate.

J. C. GHOSH, Registrar.

SENATE HOUSE, the 15th March 1926.

N.B.—The name as written in the Diploma should be stated. If any change were made in the name or surname of a qualified graduate with the sanction of the Syndicate, the date of order for such change should be stated.

For facility of addressing Women Graduates, they are requested to state the proper term of address—*Miss* or *Mrs.*—which is to be prefixed to their names.

Graduates whose names were registered in the Electoral Rolls for 1920 and 1923 are required to renew the registration of their names for 1926.

NOTICE.

THE next qualifying examination of Compounders will be held at the Lytton Medical School, Mymensingh, on Tuesday, the 20th April 1926, at 11 A.M., and subsequent days.

The examination will be conducted in accordance with Bengal Government notifications Nos. 1410 and 1411 Medl., dated the 7th July 1913.

(a) The Examination Committee will consist of:—

Superintendent,	Lytton, Medical School, Mymensingh	...	President.
Teacher of Materia Medica,	ditto	ditto	} Members.
Teacher of Compounder class,	ditto	ditto	

No person will be admitted to this examination unless he produces certificates as required by rules 9, 10, 11 and 12 of Government notification No. 1410 Medl., dated the 7th July 1913.

(b) All candidates must forward to the undersigned an examination fee of Rs. 5 at least one week before the commencement of the examination. A fresh fee must be paid on each occasion that the candidate enters for the examination, but a candidate who, after payment of the fee, is unable, through illness, to attend the examination, will be allowed, on producing a satisfactory medical certificate to that effect, to attend the next examination without payment of a fresh fee.

NOTIFICATION.

Post-Graduate Research Scholarships to be awarded in 1926.

THREE Post-Graduate Scholarships will be awarded for the encouragement of original research to candidates who have high and special qualifications and appear to be likely to conduct original research with success. The value of each scholarship is Rs. 100 a month, and each is tenable for a maximum period of three years.

2. Ordinarily one scholarship will be awarded annually to a student who proposes to carry on original research in scientific subjects, including such branches as natural and physical science, chemistry, mathematical science, etc., and another scholarship will similarly be awarded for research in literary subjects, including such branches as languages, comparative philology, palæography, epigraphy, philosophy, history, archaeology, anthropology, etc., and the third scholarship will be awarded for research either in scientific or in literary subjects. No application for a research scholarship will be considered unless a candidate submits certificates showing that he has the capacity for undertaking the research proposed and a programme of work indicating a definite course of enquiry.

3. Election will be made in the first instance for one year only, with effect from 1st July 1926, but a scholarship may be renewed from year to year, up to the limit of three years, provided the scholar has throughout the year vigorously prosecuted original research in the subject selected by him.

4. Each candidate for a scholarship should submit his application, through the head of the institution in which he last studied, to the Director of Public Instruction, Bengal, on or before 10th May next, and must produce evidence of having passed from a college or other institution in Bengal the M. A. or M. Sc. Examination of the Calcutta or Dacca University or of having obtained some other equivalent or higher degree of either of these Universities in 1923 or 1924 or 1925. He must state as definitely as possible the subject or part of a subject in which he intends, if elected to a scholarship, to carry on his original investigation. He must also state the name of the institution in which he proposes to work, with evidence that the authorities of the institution are able and willing to provide facilities for him, or if no institution is mentioned, the circumstances or conditions under which he proposes to work should be stated.

5. Applications for this year's scholarships should be submitted in prescribed forms which are obtainable from the Personal Assistant to the Director of Public Instruction, Bengal, Writers' Buildings, Calcutta.

E. F. OATEN,

Director of Public Instruction, Bengal.

CALCUTTA, the 1st April 1926.

CALCUTTA UNIVERSITY.

NOTIFICATION No. Misc. R. 11.

It is hereby notified for general information that under section 25, sub-section (1) of the Indian Universities Act, 1904 (VIII of 1904), as amended by the Calcutta University Act, 1921 (VII of 1921), the Government of Bengal have sanctioned that Chapter L of the Regulations of the University (regarding the examination for the *Diploma in Public Health*) be modified as follows :—

CHAPTER L.

1. (i) attended, during a period of not less than six months, approved courses of instruction in (a) Bacteriology and Parasitology including Medical Entomology and Protozoology, Helminthology and Immunology especially in their relation to diseases of man and to those diseases of the lower animals transmissible to man—this course to last at least 180 hours; (b) Chemistry and Physics in their relation to public health—this course to last at least 120 hours; and (c) Meteorology and Climatology in relation to public health—this course to last at least 10 hours;

(ii) been diligently engaged for at least six months in acquiring a practical knowledge of the duties, routine and special, of public health administration under the supervision of a recognised medical officer of health of a town or sanitary area of not less than fifty thousand inhabitants, who shall certify that the candidate has received from this officer or from other competent Medical officer during not less than three hours on each of 60 working days instruction in these duties (a candidate who produces evidence that he has been in independent sanitary charge of a town or district (or in the case of Calcutta, a part of a district) for a period of at least six months may under very special circumstances be exempted from this rule);

(iii) attended for three months in the clinical practice of a recognised hospital for infectious diseases and has received therein instruction in the methods of administration (at least 30 attendances of not less than two hours each shall be required);

(iv) received, during not less than 80 hours, at an institution or from teachers approved by the University, instructions in the following subjects :—

The Principles of Public Health and Sanitation	...	30 hours.
Epidemiology and Vital Statistics	...	20 "
Sanitary Law and Administration	...	20 "
Sanitary Construction and Planning	...	10 "

(the numbers indicate the approximate proportion of hours to be devoted to each subject);

(v) completed two years' continuous practice of the medical profession, which may include the period of training specified above. Provided that a candidate may appear in Part I (but not Part II) of the examination on the completion of a year of practice. Provided also that a candidate may not appear in Part II until he has passed in Part I of the Examination.

3. Every candidate for admission to each part of the examination shall send his application to the Registrar with a certificate in the form prescribed by the Syndicate and a fee of Rs. 100 at least one month before the date fixed for the commencement of the examination.

4. A candidate who fails to pass or present himself for examination shall not be entitled to claim a refund of the fee. A candidate may be admitted to one or more subsequent examinations on payment of a fee of 50 rupees on each occasion.

5. Every candidate shall be examined in the following subjects :—

PART I.

- (a) Bacteriology and Parasitology including Medical Entomology, Protozoology, Helminthology and Immunology (*one paper*).
- (b) Chemistry and Physics and Meteorology and Climatology in relation to Public Health (*one paper*).

PART II.

- (c) Hygiene and Sanitation including sanitary engineering (*one paper*).
- (d) Epidemiology and Infectious Diseases (*one paper*).
- (e) Sanitary Law, Vital Statistics and Public Health Administration (*one paper*).

The examination shall be written, oral and practical and shall include Food Inspection and Sanitary Inspection of factories, schools, premises or areas.

6. The limits of subjects referred to in paragraph 5 shall be as follows:—

(a) Chemistry and Physics.

The use of the chemical balance, alkalimetry and acidimetry. Preparation and use of standard solutions. The theory and determination of hydrogen ion concentration. The chemical analysis of water qualitative and quantitative. The interpretation of the sanitary analysis of water. A knowledge of Indian waters. The chemical examination of alum, lime, bleaching powder and other substances used in water purification. The detection and estimation of poisonous metals in water. The chemical examination of sewage, sewage effluents and other effluents. The chemical examination of air and its impurities. The chemical examination of milk, edible fats and oils; cereal foods, carbohydrate foods, tea, coffee, chicory, cocoa, mustard, pepper, spices, etc.; the detection and estimation of preservatives and adulterants in these. The microscopical examination of foodstuffs. The examination for parasites animal and vegetable in foodstuffs. The examination of vinegar, lime juice, beer, spirits and other liquid foods and drinks. The examination of foods for poisonous materials and poisonous metals. The consideration of preservatives and colouring matters: the detection of these. The examination and analysis of disinfectants; liquid gaseous and solid.

Microscopic examination of deposits in waters and effluents; the common algae, etc., in Indian waters; the examination of foodstuffs and their adulterants and common parasites; the common fibres of clothing.

The determination of specific gravities of solids and liquids. Properties of gases and liquids; the laws governing the behaviour of these; the general laws of mechanics, heat, hydrostatics, hydraulics, etc., as they apply to public health, questions of ventilation, heating, water-supply, drainage, etc. Humidity and its determination. Electro-conductivity and its measurement. Properties of light. The construction and use of the microscope, polariscope, spectroscope.

(b) Geology.

The general elementary geology of India. The composition and properties of soils, rocks, clays, etc., with specific reference to water supplies, building sites, etc. The weathering of rocks especially in relation to the composition of Indian soils. Springs, sub-soil water, artesian and subartesian conditions. Deltaic formation with special reference to Indian deltas.

(c) Climatology and Meteorology.

The principles of meteorology; its relationships to health and disease; the construction and use of meteorological instruments and the recording and correction of meteorological data. The monsoons and chief constant winds of India. The reading of weather charts.

General principles and determining factors, with special reference to India. The relationship of climate to health and disease.

(d) Bacteriology, Parasitology, Protozoology, Entomology, Helminthology and Immunology.

General characters of micro-organisms; classification, morphology, biology of bacteria, conditions of growth and multiplication; aerobiosis and anaerobiosis.

General consideration as to infectious diseases, the mode of spread under natural conditions, by carriers, and other agencies; the discovery and isolation of organisms in disease; the general pathology of infectious diseases. The study of immunity and the theories of its mechanism; its application in disease prevention.

The study of the following diseases in particular and the causative organisms:—Inflammatory conditions, pyococcal infections, pyæmia, septicæmia, gonorrhœa, cerebrospinal meningitis, pneumonia, influenza, Malta fever; typhoid and coli group of infection; food poisoning, dysentery, plague, cholera, glanders, tetanus, anaerobic wound infections, anthrax, leprosy, actino mycosis, Madura foot and other streptothrix affections.

The bacteriological examination of water, sewage, soils, air and milk and air and food stuffs.

Collection of water samples for analysis, the special methods adopted for examination of these and the interpretations of the results; standards of purity; the special organisms found in water and the methods of isolation. The examination of water supplies for pathogenic bacteria. The examination of sewage and other effluents.

Methods of examination of air and soils and the special organisms found therein. Examination of foodstuffs with special reference to food poisoning.

Parasitology, protozoology and entomology.

(e) *Animal Parasites.*

A general knowledge of the structure and life histories of—

Cestodes :—

Taenia Solium—*Cysticercus cellulosae*.
Taenia Saginata—*Cysticercus bovis*.
Dibothriocephalus latus.
Hymenolepis nana.
Hymenolepis diminuta.

Trematodes :—

Schistosomum hæmatobium.
Schistosomum mansoni.
Schistosomum japonicum.
Clonorchis sinensis.
Paragonimus westermani.
Faciolopsis buski.
Gastrodiscus hominis.

Nematodes :—

Strongyloides.
Necator americanus.
Ancylostoma duodenale.
Ascaris lumbricoides.
Oxyuris vermicularis.
Trichinella spiralis.
Trichuris trichuria.
Filaria medinensis.
Filaria loa.
Filaria bancrofti, etc.
Gnathostomum siamense.

(f) *Protozoology.*

Origin, general morphology, biology, recognition, etc., and life histories of the following :—

The Entamoebae of man : *E. coli*, *histolytica*, *gingivalis* ; *nana* ; *Canthili*.
 Intestinal Flagellates :
Cercomonas, *Bodo*, *Prowazekia*, *Trichomonas*, *Lamblia*, *Hexamita*, *Leishmania*
Donovani, *L. Tropica*.
 Trypanosomes : *T. lewisi*, *evansi*, *brucei*, *gambiense*, etc., *cruzi*, *Coccidiosis*.
 Piroplasmosis.
 The malaria parasites of man : *proteosoma*, *halteridium*, *haemogregarines*.
Sarcosporidium.
Rhinosporidium kinealyi.
Balantidium coli.
 The organisms causative in relapsing fever, rat bite disease, Vincent's angina, syphilis, yaws, epidemic jaundice, yellow fever, rabies.

(g) *Entomology.*

Entomological methods, collecting, preserving and packing. The life histories, bionomics, recognition of flies and bloodsucking arthropods, mosquitoes (culicines and anophelines), house flies, tsetse flies ; tabanus and flies, ticks, bugs and lice with special consideration of the common malaria-carrying mosquitoes of India.

(h) *Principles of Public Health and Sanitation.*

The principles and practice of personal, communal, international and occupational hygiene. The effect of climate environment and food on the human organism and communities ; water and water-supplies ; water purification and disinfection, water-borne disease. The study of the atmosphere in its relation to health and disease ; ventilation of towns, houses and buildings ; the causes and effects of vitiation of the atmosphere ; the planning of towns, villages, houses and huts, factories and barracks.

The effect of soils on health ; building sites. The collection and disposal of refuse and excreta matter. Foodstuffs, their composition, purity, examination, sophistication, etc.

The study of diets specially in regard to tropical countries with special reference to such diseases as beriberi, epidemic dropy, rickets, scurvy, etc.

The effects of famine conditions and economic stress on the human organism. Clothing in relation especially to climate.

Epidemic, endemic and infectious diseases of both temperate and tropical climates. Their epidemiology, geographical and seasonal distribution, origin, causation, mode of spread, etc., and prevention, special attention being paid to the study of such diseases as occur in India.

The control and prevention of infectious diseases by isolation, disinfection, vaccination, etc., with special reference to small-pox, cholera, plague and other tropical diseases. The construction and administration of hospitals for infectious diseases. Industrial hygiene, the special diseases of occupations, causation, their detection and prevention. Maternity and child welfare work.

School hygiene and medical examination of school children, Anti-tuberculosis schemes and their applicability. Venereal diseases; their cause: their control and treatment by the state. The control of food supplies, markets, dairies, milkshops, slaughter houses.

Meat inspection, food inspection, methods of examination of sound and unsound food. Building construction; the making of plans, their interpretation and criticism.

(i) *Sanitary Law.*

The history of sanitary law and administration in England, India and other countries. The present system of sanitary administration in India. Forms of Local Government and their relation to public health and sanitation. The sanitary laws and enactments of Great Britain and India. The duties of health officers, sanitary inspectors, factory inspectors, certifying surgeons—Port-Health Laws and duties of Port-Health officers.

(j) *Vital Statistics.*

The collection, modes of calculation and the interpretation of vital statistics. The census; calculation of population, birth rates, death rates, marriage rates, infantile mortality rates, etc. Elementary statistical methods and their application and interpretation. Life tables. The preparation of sanitary reports. The study of the Annual Reports of Public Health Commissioner and Directors of Public Health in India; methods of epidemiological investigation.

7. The full marks for each subject and the minimum marks required for passing shall be as follows:—

			Written.		Oral and practical.		Total passing marks.
			Total marks.	Passing marks.	Total marks.	Passing marks.	
Part I.							
Bacteriology and Parasitology	50	25	50	25	50

Teacher of Compounder class,	ditto	ditto	

No person will be admitted to this examination unless he produces certificates as required by rules 9, 10, 11 and 12 of Government notification No. 1410 Medl., dated the 7th July 1913.

(b) All candidates must forward to the undersigned an examination fee of Rs. 5 at least one week before the commencement of the examination. A fresh fee must be paid on each occasion that the candidate enters for the examination, but a candidate who, after payment of the fee, is unable, through illness, to attend the examination, will be allowed, on producing a satisfactory medical certificate to that effect, to attend the next examination without payment of a fresh fee.

E. B. MUNRO, MAJOR, I.M.S.,

Superintendent, Lytton Medical School.

MYMENSINGH, the 9th March 1926.

NOTICE.

It is notified for general information that the selection of candidates for admission into the Compounders' class, Lytton Medical School, Myinensingh, will be held on Thursday, the 29th April 1926, at 11 A.M., and subsequent days.

E. B. MUNRO, MAJOR, I.M.S.,
Superintendent, Lytton Medical School.

MYINENSINGH, the 9th March 1926.

Dacca Medical School.

NOTICE.

Examination of Compounders and Dressers at the Dacca Medical School.

It is hereby notified for general information that the next half-yearly examination of compounders will be held on the 24th April 1926 and subsequent days.

(a) No person will be admitted to this examination unless he produces certificates as required by rules 9, 10, 11 and 12 of Government notification No. 1410-Medl., dated the 7th July 1913.

(b) All male candidates must forward to the Deputy Superintendent, Dacca Medical School, an examination fee of Rs. 5 at least one week before the commencement of the examination. A fresh fee must be paid on each occasion that the candidate enters for the examination; but a candidate, who, after payment of the fee, is unable, through illness, to attend the examination, will be allowed, on producing a satisfactory medical certificate, to attend the next examination without payment of fresh fee.

(c) Women candidates are examined free of charge.

(d) Passed compounders who have completed a further three months' course of dressing prescribed in rule 13, and students of the licentiate class of this school, on the completion of their second year's course, will be allowed to appear at an examination in bandaging, sterilization of dressings and instruments, and in minor duties of hospital work. A fee of Rs. 2 shall be charged for this examination.

This examination is also open to persons qualified for admission to the examination prescribed under the rules for the grant of certificates to compounders, on production of a certificate that they have received instruction in a hospital or dispensary recognised by Government in bandaging, preparation of antiseptic lotions and dressings, sterilization of dressings and instruments, and in the duties of hospital dresser. Such persons shall be required to pay a fee of Rs. 2 for this examination.

M. MACKELVIE, C.I.E., M.B., LT.-COL., I.M.S.,

Superintendent, Dacca Medical School.

DACCA, the 1st March 1926.

NOTICE.

It is hereby notified for general information that the next examination for admission of students to the compounder's class, Medical School, Dacca, will be held on the 29th April 1926 at 9-30 A.M.

Candidates desirous to sit at this examination shall send their applications with a fee of Rs. 2 to the Deputy Superintendent, Dacca Medical School, on or before 25th April 1926.

N.B.—Owing to the large number of matriculates the vacancies for non-matriculate students are very limited.

M. MACKELVIE, C.I.E., M.B., LT.-COL., I.M.S.,

Superintendent, Dacca Medical School.

DACCA, the 1st March 1926.

PART IB.

Educational Notices.

NOTIFICATION.

Election to the Bengal Legislative Council from the Dacca University constituency.

ONE member will be elected to the Bengal Legislative Council from the Dacca University constituency in 1926. Under the terms of paragraph 12 of Schedule II of the Bengal Electoral Rules, a person is qualified as an elector for the Dacca University constituency who (1) has a place of residence in Bengal and is a member of the Court or a registered graduate of the University, or (2) has a place of residence in the Dacca Division or in the Chittagong Division, is a registered graduate of some other University and would have been qualified to be registered as a graduate of Dacca University but for the fact that, before the 1st April 1920, he had been registered as a graduate of that other University. No person can vote at any general election both in the Calcutta University and in the Dacca University constituency. In order to ensure inclusion of their names in the electoral roll of the Dacca University constituency for the forthcoming election to the Bengal Legislative Council, registered graduates, who are liable to pay the annual fee, are advised to pay the fee due for the academic year 1926-27, with arrears, if any, on or before the 15th June 1926. Graduates qualified to become registered graduates of Dacca University, under the terms of statutes 14 and 14A, of which copies may be had on application to the undersigned, are also advised to apply for registration on payment of the prescribed fee, on or before the 15th June 1926. According to University Ordinance, the fee for the renewal of registration of graduates for any session must be paid not later than the 30th of July of that session. The names of registered graduates who do not pay the fee for the session 1926-27 will not be included in the final electoral roll of the Dacca University constituency. Attention is drawn to the fact that, under statute 14, sub-clause (a), qualified non-Muhammadan graduates of other Indian Universities, who are not already registered, will not be entitled to become registered graduates of Dacca University after the 30th June 1926. Women graduates and women members of the Court will be entitled to the franchise on the same terms as men.

SENATE HOUSE, the 22nd April 1926.

CALCUTTA UNIVERSITY.

NOTICE.

THE M.A. and M.Sc. Examinations, 1926, will commence on Wednesday, the 1st September 1926.

Applications and fees for the examinations should reach the office of the Controller of Examinations on or before the 31st May 1926.

A. C. BOSE, *Controller of Examinations.*

SENATE HOUSE, the 16th April 1926.

NOTIFICATION.

Election to the Bengal Legislative Council from the Dacca University constituency.

ONE member will be elected to the Bengal Legislative Council from the Dacca University constituency in 1926. Under the terms of paragraph 12 of Schedule II of the Bengal Electoral Rules, a person is qualified as an elector for the Dacca University constituency who (1) has a place of residence in Bengal and is a member of the Court or a registered graduate of the University, or (2) has a place of residence in the Dacca Division or in the Chittagong Division, is a registered graduate of some other University and would have been qualified to be registered as a graduate of Dacca University but for the fact that, before the 1st April 1920, he had been registered as a graduate of that other University. No person can vote at any general election both in the Calcutta University and in the Dacca University constituency. In order to ensure inclusion of their names in the electoral roll of the Dacca University constituency for the forthcoming election to the Bengal Legislative Council, registered graduates, who are liable to pay the annual fee, are advised to pay the fee due for the academic year 1926-27, with arrears, if any, on or before the 15th June 1926. Graduates qualified to become registered graduates of Dacca University, under the terms of statutes 14 and 14A, of which copies may be had on application to the undersigned, are also advised to apply for registration on payment of the prescribed fee, on or before the 15th June 1926. According to University Ordinance, the fee for the renewal of registration of graduates for any session must be paid not later than the 30th of July of that session. The names of registered graduates who do not pay the fee for the session 1926-27 will not be included in the final electoral roll of the Dacca University constituency. Attention is drawn to the fact that, under statute 14, sub-clause (a), qualified non-Muhammadan graduates of other Indian Universities, who are not already registered, will not be entitled to become registered graduates of Dacca University after the 30th June 1926. Women graduates and women members of the Court will be entitled to the franchise on the same terms as men.

N.B.—THIS CANCELS ALL RULES PUBLISHED BEFORE 1925.

The revised scale of fees will take effect from the session 1926-27 and will apply only to the new entrants.

MEDICAL COLLEGE OF BENGAL.

Rules for the guidance of students seeking admission.

1. Two classes of students are submitted for study in the College :—

(a) "Regular class" or those who enter for the full University course.

The admission to this class is restricted to students (male and female) who are natives of, or whose parents are domiciled in, the area within the territorial limits of the Calcutta University and the provinces of Assam, Manipur State and Central Provinces, and those who come from the Dacca University and Board as provided for in rule 4.

(b) "Military class" (only students of European or Anglo-Indian parentage are admitted to this class). (See separate prospectus for Military students.)

The admission to this class is regulated by the Director-General, Indian Medical Service.

2. The minimum preliminary qualification for admission to the (a) "Regular class" is the Pass certificate of the I. Sc. Examination of the Calcutta University with Physics and Chemistry, or any examination equivalent to it. In assessing the claims of those eligible for admission, special proficiency in those subjects particularly useful in the medical curriculum will be given the fullest consideration, viz., in English, Physics, Chemistry and Botany.

3. The Summer term commences on the 15th June and closes on the 19th September. The Winter term opens on 5th October and closes on the 31st March.

4. All new students must apply for admission to the Principal, Medical College, Calcutta, in the prescribed form available in this office on or before the 25th May, together with a fee of Rs. 4, which will not be refunded on any account except in the case of Assamese students, who should apply to the Inspector-General of Civil Hospitals of that province for admission within such date as that officer may prescribe. Students who come from the Dacca University and the Dacca Board of Intermediate and Secondary Education are admitted on the nomination of the Secretary of the said Board and University, and the candidates from the Central Provinces on the nomination of the Director of Public Instruction of that province. The candidate from Manipur will be nominated by the Manipur State.

Selected candidates must pay the following fees within the time prescribed by the Principal, failing which their names will be struck off the selected list :—

	Rs.
Admission fee	25
Fees for Summer term	100
Athletic Club fee	4
Total	129

5. The number of regular students to be admitted each year is generally 120, but the Principal may, at his discretion, increase or decrease this number, and the final selection lies entirely with him.

One-fourth of the total number to be admitted, if a suitable number of candidates be obtained, shall be Muhammadans. One candidate will be nominated by the Director of Public Instruction, Central Provinces, six candidates by the Inspector-General, Civil Hospitals, Assam, three candidates of the Dacca University and three candidates of the Dacca Board of Intermediate and Secondary Education by the respective authorities. One candidate will be nominated by the Manipur State. These candidates must possess the qualifications mentioned in rule 2. These nominations must reach the Principal, Medical College, Calcutta, before the 10th June in each year, failing which the Principal will fill up vacancies with local candidates.

6. (a) Female students will be admitted to this College provided they possess the requisite preliminary qualification, and provided there is a vacancy in the Surnomoyee Hostel in which all female students must reside.

(b) Female students already studying in this College but belonging to provinces other than Bengal will have to pay rents for their seats in the Surnomoyee Hostel.

7. Failed students must apply for admission and pay the fee within the date prescribed by the Principal, otherwise their claims will lapse.

8. All regular students must pay an annual fee of Rs. 200 in two instalments, viz., Rs. 100 for the Summer term and Rs. 100 for the Winter term. They must also pay the annual Athletic Club fee of Rs. 4 along with the fees for their Summer term. Fees once paid cannot be refunded except to those whose claim for the refund is tenable under rule 19.

9. The fees for each term are to be paid in one instalment. Except in the case of new students, the fees for the Summer term are due on the 15th June and those for the Winter term on the 1st November, and must be paid on those dates or on such subsequent dates as the Principal directs, after which a daily fine of annas 4 will be levied along with the fee in each case of default.

10. Female students are not liable to pay the Athletic Club fee.

11. Students relegated to a further course of study after failure to pass the Preliminary Scientific M.B. and the First M.B. Examinations shall pay Rs. 100 for the whole session in one instalment within the time prescribed.

12. Students who fail at the Final M.B. Examination shall pay fees for the whole session at the following rates in one instalment :—

						Rs.
For one subject	25
For two subjects	50
For three or more subjects	75

13. Students taking up subjects outside the curriculum of the year in which they are studying shall pay Rs. 30 for each such subject including lectures and practical classes.

14. The fee for certificates issued to regular students leaving the College before completing their study, or for those issued to Military students, shall be Rs. 40 per each course of lectures and practical classes and Rs. 30 for every three months of Hospital practice.

15. In calculating the sum to be paid under rule 14 by a regular student, the amount of College fees paid by him (or in the case of a student enjoying a stipendiary scholarship and free tuition, the amount which would have been paid by him had he been a paying student) shall be deducted.

16. The fees payable by a Muhammadan student requiring certificates in the same way will be calculated on the same principle, i.e., he will be allowed a deduction for the full annual fee, half of which has been paid by himself and half by the Mohsin Fund.

17. Students of the Military class requiring certificates in the same way will be required to pay the rate of fees laid down in paragraph 14 for the full curriculum or for such portion as they have attended. No deduction will be made in this case as they are not free students in the sense in which that term is defined in Bengal Government Resolution (Education) No. 601 of the 7th December 1880.

18. The fee for post-graduate students undergoing a course of training in the Pathological, Bacteriological, Physiological or Chemical Laboratory is Rs. 90 for a period not exceeding six months.

19. Holders of scholarships awarded by the Government of Bengal are not required to pay the annual fees of Rs. 200 for the year in which they hold such scholarships. All holders of other scholarships, whether granted by other Local Governments, local bodies, or Dufferin Fund, shall pay the same fees as regular students.

20. The following is the curriculum of the College :—

Regular students.

First year (one Summer term and one Winter term).

Physics, Chemistry, Botany, Zoology, and Practical classes in all these subjects; Test examination in all the subjects will be held during the course of the first year classes, and the students who fail in these examinations will not be sent up for the Preliminary Scientific M. B. Examination. Those students who are sent up for the Preliminary Scientific M. B. Examination but fail twice in one year in the said examination will be transferred to the Membership course of the State Medical Faculty of Bengal after the second chance.

N.B.—The first year's course also includes Anatomy in which there will be a class test examination during the course, upon which will depend the promotion of a student to the second year class.

Second year (one Summer term and one Winter term).

Anatomy, Physiology, Materia Medica, Practical Pharmacy and Dissections to be followed by examinations for award of College scholarships with class examination during the course. Students failing to pass the class examination in Anatomy will not be eligible for any scholarship and will not be promoted to the third year class.

Third year (one Summer term and one Winter term).

Anatomy, Physiology, Materia Medica, Organic Chemistry, Dissections and Practical classes in Physiology and Organic Chemistry with the usual class examination in the

above subjects for scholarships, medals and certificates of honour of the College. Students who fail four times in two years at the First M. B. Examination will not be allowed to go on with the M. B. course, but they may take up the Membership course of the State Medical Faculty of Bengal.

N.B.—Both in Preliminary Scientific M. B. and First M. B. Examinations "failure" means and includes "failure to pass" and "failure to appear".

Fourth year (one Summer term and one Winter term).

Medicine, Surgery, Midwifery, Pathology, Medical Jurisprudence, Hygiene, Dental Surgery, Hospital Practice (12 months), Clinical Methods and 20 Demonstrations, Practical Surgery and Bandaging and 30 Demonstrations, with class examinations at intervals in all the subjects.

Fifth year (one Summer term and one Winter term).

Medicine, Surgery, Midwifery, Hygiene, Ophthalmic Surgery, Operative Surgery, Mental Disease, Practical Pathology and Bacteriology, Practical Midwifery and 20 Demonstrations, Hospital Practice (12 months) with class examinations at intervals in all the subjects.

Sixth year (one Summer term and one Winter term).

Medicine, Special Classes and Hospital Practice (12 months), to be followed by the Final M. B. Examination.

21. The following are the scholarships and rewards obtainable by students :—

- (a) Ten College scholarships of Rs. 12 each, tenable for one year, together with free tuition, are awarded to ten students on the result of the Test and Scholarship examinations at the end of the first year class, provided such students also pass the Preliminary Scientific M. B. Examination of the Calcutta University at the first attempt.
- (b) Ten College scholarships of Rs. 12 each, tenable for one year, together with free tuition, are awarded to ten students on the results of the second year's Scholarship and Test examinations.
- (c) Ten scholarships of Rs. 12 each, tenable for three years, together with free tuition, are awarded to ten students on the results of the Scholarship and Test examinations of the third year class, provided such students also pass the First M. B. Examination of the Calcutta University.

NOTE—Only students of Bengal are allowed to compete for these scholarships. Forty per cent. is the pass mark of the class examination, but 60 per cent. in aggregate must be obtained by a candidate to be eligible for a scholarship. All scholarships are granted subject to good conduct and satisfactory progress.

- (d) Six Government scholarships (one for each year) of the value of Rs. 25 will be awarded to the female students of the regular class who do not get the Dufferin or other scholarship.

(e) Mohsin scholarships—

Six stipends of the value of Rs. 15 each, tenable in the Medical College, Calcutta, are annually awarded by the Director of Public Instruction from the Mohsin Endowment Fund to deserving poor Bengali Muhammadan students in the following manner :—

Two scholarships on admission, tenable for one year only, on the result of the I. Sc. Examination.

Two scholarships, tenable for two years, on the result of the Preliminary Scientific M. B. Examination.

Two scholarships, tenable for three years, on the result of the First M. B. Examination.

- (f) A limited number of stipends will be granted to Muhammadan students of straitened circumstances who must prove to the satisfaction of the Principal that they are poor deserving Bengali Muhammadan students.

22. If on account of the death, resignation or dismissal of any College scholar, a scholarship falls vacant, such scholarship will be awarded to the next best student in the list of the last Scholarship examination, or to such other student as the Principal may consider fit.

23. Holders of the College scholarships, any other Government scholarship or Trust Funds scholarships administered by Government are not eligible for the Durga Charan Laha Scholarship. Similarly, a student already holding a scholarship, either on the result of the University examination or granted by Government, is not eligible to compete for the College scholarships.

24. Regular students, who at any time are referred for a second year of study in all the subjects of one curriculum, are thereby rendered ineligible for any of the stipendiary scholarships awarded by the Government of Bengal. They are, however, eligible for the special scholarships and class prizes and medals and certificates of honour of the College.

25. Certificates of honour, to the number of three in each subject, may be awarded by the Professor, subject to the sanction of the Principal, to such students who have not obtained the medal but are deemed worthy of it.
